Views of the SolGold Board

Additional Information

Offer structure

It is intended that the Revised Possible Offer, if made, would be implemented by way of a recommended scheme of arrangement under Part 26 of the Companies Act 2006 pursuant to which JCC would acquire the entire issued and to be issued share capital of SolGold, other than the shares already owned by JCC, at the Revised Possible Offer Price. However, JCC reserves the right, with the consent of the Panel (if required), to elect to implement the Revised Possible Offer by way of a contractual offer within the meaning of Section 974 of the Companies Act 2006.

Pre-conditions to the announcement of a firm intention to make an offer

In addition to the satisfaction or waiver of certain customary pre-conditions, including the finalisation of definitive transaction documentation, JCC is required to complete the PRC outbound direct investment clearance process (the “**ODI Approval**”) in respect of the Revised Possible Offer. JCC has already commenced the process of obtaining the ODI Approval. The ODI Approval pre-condition cannot be waived.

Financing of the Revised Possible Offer

The cash consideration for the Revised Possible Offer, if made, would be fully funded by a combination of JCC’s existing cash resources and a committed bank facility.

Other additional information

This announcement has been made with the consent of JCC. There can be no certainty that an offer will be made. A further announcement will be made as appropriate.

Pursuant to Rule 2.5 of the Code, JCC reserves the right to make an offer for SolGold on less favourable terms than those set out in this announcement:

- (i) with the agreement or recommendation of the SolGold Board;
- (ii) if a third party announces a firm intention to make an offer for SolGold which, at that date, is of a value less than the value implied by the Revised Possible Offer; or
- (iii) following the announcement by SolGold of a Rule 9 waiver transaction pursuant to the Code.

JCC reserves the right to reduce the terms of the Revised Possible Offer to take account of the value of any dividend or other distribution which is announced, declared, made or paid by SolGold after the date of this announcement.

In accordance with Rule 2.6(a) of the Code, by not later than 5.00 pm on 26 December 2025, JCC must either announce a firm intention to make an offer for SolGold in accordance with Rule 2.7 of the Code or announce that it does not intend to make an offer for SolGold, in which case the announcement will be treated as a statement to which Rule 2.8 of the Code applies. This deadline will only be extended with the consent of the Takeover Panel in accordance with Rule 2.6(c) of the Code.
